

Stephen Sacks

Founder of FundingNav & F**k Up Nights

Stephen worked 30 years in the fashion industry and created a brand that was being sold in over 30 countries generating £30 million a year in revenue before being acquired.

His furniture business racked up millions of pounds of debt and he had no idea how to dig his way out. Wanting to save others from experiencing what he went through he founded Funding Nav that helps business owners who have more ambition than cash.

To date they have provided in excess of £100 million for hundreds of businesses.

Stephen is also the author of 2 books Reboot Your Business and The Intelligent Investors Handbook.
